# Log Core

*Inside Log Help For Those Into Log Buildings*

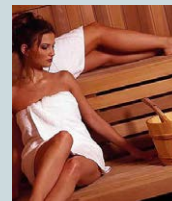

## **NEW** Sauna-Liner Kits

We now offer three basic sauna liner packages through Sault Forest Products. The sauna liner comes with everything needed to finish the interior of the room:

- All the pre-cut 1x5 tongue & groove kiln dried Eastern White tight knot cedar for the walls and ceiling. The pre-cut 1x5 tongue & groove boards for the sauna walls and ceiling can be precision sawn to exact lengths or left a little longer to adjust for variances for on-site application.
- One 24"x78" solid cedar door.
- One set of 1x6 cedar door jamb, one set 1x3 inside door casing.
- A two tier cedar bench kit, top bench 20" wide, bottom bench 12" wide plus supports benches to be erected on the longest wall.
- 30 pieces of 1x3 cedar boards to make up the duck boards for the door.
- One appropriate size electric red-enamled sauna heater; U/L approved.
- One vapor proof sauna light hardware package includes; a 250 sq. ft. roll of foil-vapor barrier, galvanized finishing nails, door hinges, screws for bench assembly, cedar door handles, and roller latch door closure.

### Sauna Health Benefits

Sauna works on the principle of generating abundant sweat to detoxify the body and relax the mind. Regular sauna use can bring a number of health advantages such as:

Glowing healthy skin - blood flow to the skin increases during a sauna session. With more essential nutrients being available to subcutaneous and surface tissue, the quality of the skin gradually improves.

Detoxification - the heat releases poisons and heavy metals beneath the skin so that they can be purged through respiration. In this day and age most people are exposed to toxins every day. Toxic chemicals are abundantly present in our food and environment, so it seems reasonable to aid the detoxification process with the regular use of sauna.

Hyperthermia - exposure to the high heat creates an artificial fever state. Fever stimulates the body's natural healing process. As a result, your immune system will produce greater numbers of disease fighting white blood cells and antibodies to eliminate viruses and other pathogens.

# LifeTime on Sale!

April 15th through May 15th 2015

A low-maintenance finish that gives a silver patina color. Pigment obtained from your local hardware store may be added to give some color. (When using pigment, more maintenance will be required.) LifeTime goes on in one easy application by brush, roller, or spray. (It must be completely dissolved in warm water before spraying.) Initial color ranges from gray to light brown or olive brown, depending on the type of wood, but matures to a silver patina. LifeTime is for all outdoor wood. LifeTime is nontoxic, environmentally friendly, and made from naturally occurring plants and minerals. LifeTime comes in a powdered form, making storage and shipping easy. **Coverage:** Approximately 125-167 sq. ft. per gallon. **Cleanup:** Soap and water. **Notes:** Do Not Use With PeneTreat. Mix LifeTime in a plastic pail - not metal. When applying, cover to protect aluminum and metal cladding and rain gutters. To mix the 100 gram bag by the gallon, use 4 tsp to 1 gallon of water. **Made in Canada.**

20 gram bag - Makes 1.2 US gal.	\$18.95	\$17.06
100 gram bag - Makes 6 US gal.	\$85.75	\$77.18

# WeatherSeal on Sale!

April 15th through May 15th 2015

It's thick, it's rich and it's full of protection! First introduced in 1993, WeatherSeal is the only exterior alkyd resin/oil-based wood stain that has a thick, creamy, no mess consistency. Simple and easy to use and maintain, there is no need for buying and applying two separate base coat/clear coat type products because ALL the protection needed is packed in one unique formula. A paddle mixer is recommended to completely stir before applying. **Application Temp:** 55°-90° F. **Coverage:** 250-400 sq. ft. per gal. **Cleanup:** Mineral spirits. **Made in the USA.**

WeatherSeal	1 gal. Pails	5 gal. Pails
Natural Pine, Sunlite	Retail \$47.00 Sale \$45.88	Retail \$231.75 Sale \$214.60
All Other Colors	Retail \$49.50 Sale \$43.52	Retail \$244.50 Sale \$226.41

# Transformation Deck & Fence

Clearance Sale on All Remaining Stock

## Transformation Stain

Restore the Wood Nature Destroyed

- Easy "No Sanding" Maintenance
- Shows the Wood Grain
- Matte Finish
- 1 or 2 Coat Application

**25% OFF REMAINING INVENTORY**

1 gal.	5 gal. 1-5 pails
\$42.99	\$176.57
Sale \$32.24	Sale \$132.43

Transformation Deck & Fence contains a harder resin than Siding & Trim, providing better protection against scuff marks and foot-traffic. Application Temp: 40°-90° F. **Coverage:** Approx. 150-350 sq. ft. per gal. **Cleanup:** Soap and water. **Made in the USA.**

Transformation Deck & Fence has been replaced with Transformation Siding & Trim. Current Transformation Deck & Fence users can easily switch to Transformation Siding & Trim, a very similar technology that also boasts high performance on decks, fences and interior applications. It comes in the same matte finish and the same 6 colors as Transformation Deck & Fence, making for a seamless transition. Both products can even be used on the same job.

# WR-5 on Sale!

April 15th through May 15th 2015

## WR-5 WOOD STAIN

A good choice for those looking for a semi-transparent finish that is comparable to what many call the "Old Forestry Mixture". Good for high-humidity areas and holds up well on fences, decks, railings, shakes, shingles, and outdoor furniture. **Application Temp:** 50°-80° F.

**Coverage:** 200-400 sq. ft. per gal. **Cleanup:** Mineral spirits or paint thinner. **Made in the USA.**

WR-5	1 gal.	5 gal. pails
Clear	Retail \$62.50 Sale \$56.25	Retail \$300.00 Sale \$270.00
Colors	Retail \$65.00 Sale \$58.50	Retail \$310.00 Sale \$279.00

Prohibited in: CA, CT, DC, DE, IN, MA, ME, MD, NJ, NH, NY, OH, PA, and the North East corner of Virginia: Counties: Arlington, Fairfax, Loudoun, Prince William, Spotsylvania, and Stafford Cities: Alexandria, Fairfax, Falls Church, Fredericksburg city, Manassas & Manassas Park.

## MEET THE STAFF:

As our outgoing bookkeeper, Chrissy, plans her move to Williston, North Dakota, she has been diligently training in Molly. Molly will be serving as our new bookkeeper at Schroeder Log Home Supply, and it's been great having her on board. Likewise, Molly says she has enjoyed getting to know her coworkers and she says everyone is so nice and friendly.

Molly brings a long and diverse history of bookkeeping experience as she joins us at Schroeder's. She spent 9 years with a local bank doing bookkeeping. After that she worked in a service organization called ODC where she was a general office specialist wearing the hats of many duties including bookkeeping. The customer service skills she developed will also be welcomed as she catches overflow phone calls in our office during the busy months of the summer.

**BOOKKEEPER: MOLLY HEALY**

Before seeking a new opportunity, Molly worked just down the street from us; so although the view from her desk may have changed, the drive to work will be quite familiar!

After hours, Molly spends a lot of time developing a green thumb with her passion gardening. Besides the garden, she also loves traveling and does some volunteer work with different non-profits in the area.

When not spending time in the garden, or when the Minnesota winters won't allow it, she enjoys reading a good book. Unfortunately, finding time to get lost in a good book these days is difficult in a busy life!

Molly has been happily married to her wonderful husband for over 21 years. She has two children: a daughter Nikki and a son Arik. Both are grown and have flown the nest.

We are enjoying a new face in the office and welcome Molly aboard!

## TOOL TALK:

### FREE FOLLOW PLATE REPLACEMENT OFFER

**OFFER EXPIRES: JULY 31, 2015**

As of March 1st, 2015, Sashco has started replacing the straight-sided 5 gallon pails of Conceal, Log Builder, and Log Jam with tapered pails. If you own an existing Snorkler or if you have the original (non-gasketed) follow plate for Albion guns, you will need a different follow plate in order to work with the new tapered pails.

Sashco is offering free replacement follow plate(s) with the order of one or more 5 gallon pails of any Sashco caulking or chinking product. This offer will replace single or multiple follow plates if you are a log home professional. The replacement follow plates will work with both straight and tapered pails. Call us today to take advantage of this great offer! **1-800-359-6614**

## DID YOU KNOW?

**Sikkens®**  
**ProLuxe™**  
Wood Finishes

*Why is the brand name changing from SIKKENS® to PROLUXE™?*  
The Sikkens brand is owned by AkzoNobel and has been licensed to PPG for North America. The agreement stipulates that PPG introduce a replacement brand and use Sikkens at a reduced size beginning in 2015.

*Are the products any different now that they have a new name?*  
The formulas in the can are exactly the same as they were under Sikkens. The formulas are PPG's and they do not have to change them under the terms of the agreement. Only the name is changing. You can be confident that the product is the same in the can regardless of whether the name is Sikkens or ProLuxe.

*Are products being discontinued?*  
As always, the manufacturer will periodically choose to introduce new products, improve products or discontinue products. These decisions will be driven by sales and market needs as well as product innovation.

*When will I start seeing product available for shipment?*  
PPG is planning to have product in new labels for most of the products in March of 2015.

*"All you need to grow fine, vigorous grass is a crack in your sidewalk."  
- Will Rogers*
